Aim:Hosting the website with Domain Registration Process.

Screenshots:

1. DomainRegistration

The screenshot shows the 'Create a new Hosting Account' page on the InfinityFree website. The page has a navigation bar with links to Home, Accounts, Free SSL Certificates, Addons, Domain Checker, Help Center, and Community Forum. The main content area is titled 'Create a new Hosting Account' and features a form for domain registration. The form has three steps: Step 1. Choose a domain name, Step 2. Enter additional information, and Step 3. Done. Under Step 1, there are two tabs: 'Subdomain' and 'Custom Domain'. The 'Subdomain' tab is selected, and the 'Subdomain' field contains 'mkproducts'. The 'Domain Extension' dropdown menu is set to '.rf.gd'. A 'Search Domain' button is located below the form. A TeleSign banner at the bottom of the page displays the message 'Your passcode is 505050'.
